

DEAR GUESTS,

We saw the onset of winter as early as the end of October. That inspires a longing for more! The Diavolezza is already open and invites you to take your pick of descents to enjoy. We can hardly wait to open the hotels for the winter season. Don't miss the snow-capped peaks, magnificent glacier landscapes and picturesque winter panoramas! Our hotels are located in the centre of the village of Sils Maria and are the ideal starting point for extensive cross-country trips, rapid runs in one of the Upper Engadine ski resorts, or winter hikes with abundant views.

2 hotels = 2x pure Engadine.

After an active day in the fresh Engadine air at an altitude of at least 1,800 m, the wellness areas and our well-equipped fitness studio welcome you with their relaxing atmosphere. Forget everyday life with a soothing massage, Ayurvedic treatments, a visit to the sauna or relaxing in the jacuzzi. A visit to one of our à-la-carte restaurants, "Arvenstube" and "Stüva da la Posta", then promises the culinary conclusion to a successful winter's day. In our exclusive Grand Restaurant, we indulge you every evening with our fine 5-course menu.

Take the opportunity and book a room today at Hotel Edelweiss or Hotel Post!

We look forward to seeing you again!
